CATCH - UP PROGRAM

Mr. Millstid

This letter is to recognize the professionalism shown by Ricky Longoria while managing the LCR piperack painting project for 2003 that was awarded to TECON Industrial Painting Division. I personally appreciate his assistance, enthusiasm, and the quality of work performed by himself and his crew's during this project. I feel that Mr. Longoria's drive keep this project moving towards completion and within the required schedule.

I look forward to working with Mr. Longoria and your group on future piperack projects.

Truly,

George Miller
